

creating a chapter theme for the chapter year and building your programs around the theme? Has this been successful, and how?

Theme

Speaker scheduled

Communication + Cooperation
had to get good spectrum

Record Keeping Principles - Broad enough
variety of speakers

RIM Toolkit - Broad

Things - Alexa

What's going on World
ICS

Problems
If pick too basic - Adv
members aren't interested
vice versa if too Adv.

Worked well

planned but not
implemented

did at planning meeting at begin. of year

2 topics related over year 1/2 - 1/2
Combine for spring conf. - capstone

Spring conf theme separate from yearly topics

add social events to break up routine
some social / some education meetings
